

# MARA SFARA

## **Peter Trippi**

Editor-in-Chief,  
Fine Art Connoisseur  
Magazine

“Having enjoyed the originality and whimsy of Mara’s art at Queensborough Community College, I now look forward to seeing what her next project will entail.”

---

## **Burton Phillip Silverman**

Artist

“By every measure, Mara Sfara's work exhibits continual growth and achievement as she probes more complex avenues of expression. Consequently, her art is gaining intense interest from gallerists and serious collectors both here and abroad.”

Springfield Museums  
Art | History |  
Science | Seuss in  
Springfield

“Her positive nature is reflected in her art, in her use of beautiful colors, objects and places. Her paintings typically depict idyllic, serene landscapes, but she has also explored representations of iconic women that include Marilyn Monroe and Audrey Hepburn as well as created nonrepresentational abstractions.”
